We continue to proudly celebrate 20 years of PRASAD Australia.

20 years of sustainable work.
20 years of making a difference in many lives.
20 years of generously giving.

This is all because of your ongoing support and donations, so a very big thank you to each one of you. Throughout the COVID-19 pandemic this support has continued, thus enabling the great work in India to also continue during that time. Now with restrictions abating, we are resuming the full range of programmes and support for the people of the Tansa Valley.

The growth and achievements over the 20 years of PRASAD Australia, and 30 years of PRASAD Chikitsa, have been amazing. We take this opportunity to extend our deepest gratitude to the spiritual head of the Siddha Yoga path, Gurumayi Chidvilasananda, whose vision is the core inspiration for PRASAD.

Looking now to the future, PRASAD is committed to keep growing and offering services with nothing less than the best, so that we continue meeting the evolving needs of the people we serve for generations to come. There is much more that can be done and with your continued support, we will explore and achieve great outcomes for many years.

We are enthusiastic about the possibilities for the future of PRASAD and again thank you for being part of this great work.

Warm regards,
The PRASAD Australia Board
