

GIFTS THAT KEEP ON GIVING

When we give a gift, we establish our connection with others, which means that the gift reflects both the giver and the receiver. Your gifts keep on giving because the people who receive services pass along the skills they've learned and share the benefits of their improved lives with family and community. Giving a gift to someone we care about allows us to communicate our feelings and appreciation for them. We can't thank you enough for your contributions to PRASAD Australia. We hope your generosity will continue.
